

Breaking free from Witchcraft

Scripture Reading: Ephesians 6:12, Col. 1:13, Rev. 12: 11, Numbers 23:23, Job 5:12

We cannot dispute the fact that many people are under the influence of some form of witchcraft. The essence of witchcraft is to bring its victim under a yoke of oppression and manipulation. Many people have discovered that there are unexplainable or strange patterns of misfortunes or diseases that are surrounding them. Some of these occurrences cannot be legally, medically, psychologically or physically explained. They leave their victims under a yoke of oppression and hopelessness. The solution is spiritual through Jesus Christ.

1 John 3:8 “For this purpose the Son of God was manifested that He might destroy the works of the devil.”

It is through the victory of Jesus Christ on the cross and the power of His name that we are able to break free from the manipulation and domination of evil forces. Every believer should never allow the enemy to rob them of their victory in God. It is time that you arise against every form of spiritual manipulation and oppression.
